IML/IVV-CUP and AMAIXIAL WALKING FESTIVAL - two new events in the international IML and IVV walking schedule 2021.

In 2021 the IVV/IML-Cup takes place in the south of Portugal for the first time. The Amaixial Walking Festival hosts and organizes this increasingly popular event.

The slightly hilly hinterland of the coast forms the scenic backdrop for wonderful and varied walks of 10km or 25km in length. Find new hiking friends and relax in our tour hotels located directly at the sea and enjoy the sunset on the beach.

You´ll walk... and we take you there!
